

United States Court of Appeals

FOR THE EIGHTH CIRCUIT

CASE NO. 13-1506

Curtis J Neeley Jr.

Plaintiff - Appellant

v.

Federal Communications Commission, et al.

Defendants - Appellees

Appeal from U.S. District Court for the Western District of Arkansas – Fayetteville
(5:12-cv-5208-JLH)

Motion for Clarification of Final Order

Curtis J Neeley Jr most respectfully requests clarification of the Final Order denying the Petition for en banc Reconsideration. Mr Neeley seeks clarification of the order so that further filings may be enhanced and may be accurately prepared and presented to reflect the holdings of the District Court Judges besides Honorable Loken and Gruender who were recused and did not participate in the consideration or decision in this matter. How many judges considered this matter and of those who read the filing, which Honorable Judges felt reconsideration was appropriate although the Honorable majority felt otherwise. A simple list of positions held or the unanimous holding of X judges would clarify this denial very well. This is not a request to reconsider but a request of how each judge ruled.
