**MOTION FOR A MORE DEFINITE STATEMENT**

The reply to the facts Docket #77 contained several misquotes or presentations of improper understandings of an email communication being treated as contracts or proposals. Plaintiff is uncertain that these were honest misunderstandings or if these were attempts to treat a casual email dialog as contractual or mislead the court. Pursuant to Federal Rules of CP 15(e), Plaintiff asks the Judge to direct the Defendant to make a more definite statement specifically of the statements outlined in the supporting statement filed herewith as directed by Local Rule 7.2 or as a communication with the Court that is served on attorneys for each party pursuant to Local Rule 7.3.

Respectfully submitted,

Curtis J Neeley Jr, MFA
