PLAINTIFF

v.

Civil No. 09-5151

NAMEMEDIA, INC.

DEFENDANT

O R D E R

Now on this 19th day of November, 2009, comes on for consideration plaintiff's **Motion To File An Ammended [sic] Complaint As A Pauper And Seeking An Order For Removal Of Robots.TXT File** (document #10), and the Court, being well and sufficiently advised, finds that said motions should be **granted in part and denied in part**, as follows:

1. Plaintiff's request to amend his Complaint is granted, and he is directed to file the proposed amended complaint within fourteen (14) days of the date of this Order.

2. Defendant NameMedia, Inc., will not be required to file a responsive pleading to plaintiff's initial complaint, so long as it files a timely response to the amended complaint.

3. To the extent plaintiff's motion seeks injunctive relief, it will be denied. **Local Rule 7.2(e)** provides that "[p]retrial motions for temporary restraining orders, motions for preliminary injunctions, and motions to dismiss, shall not be taken up and considered unless set forth in a separate pleading accompanied by a separate brief."

3. This matter is referred to United States Magistrate Judge Erin L. Setser to see to service of process on the defendants added by the amended complaint.

IT IS SO ORDERED.
