**MOTION REQUESTING RECONSIDERATION OF
DOCKET #126 GRANTING DISMISSAL OF Network Solutions LLC**

1. Plaintiff asks the Court to reconsider Docket #126 and use the concurrently filed Supporting Brief for this Motion and reconsider several portions of Docket #126 regarding the current and immanent violations of the Lanham Act regarding <SleepSpot.org> currently registered by the Plaintiff at Network Solutions LLC. Network Solutions LLC has a liability that remains where the Plaintiff has clear standing although Network Solutions LLC was not a continual violator of <eartheye.com> or <sleepspot.com>. Their current and imminent violation of <sleepspot.org> sustains their remaining as a Defendant in the replacement complaint that remains after dismissing the original 2003 actions and amending the complaint to address the current or imminent Lanham Act violations of Plaintiff's domain of <sleepspot.org> registered at Network Solutions LLC and expiring April 2011 when they will advertise it as an expiring domain.

Respectfully and humbly submitted,

Curtis J Neeley Jr, MFA
