**MOTION TO CONTINUE TRIAL 120 to 180 DAYS**

Curtis J Neeley Jr MFA respectfully requests that the trial in the above captioned matter be continued one hundred twenty to one hundred eighty days. Support for this delay is described more fully in a supporting Brief consistent with Local Rules.

Wherefore, Curtis J Neeley Jr respectfully requests that the Court find justice and public interests both served by granting continuance of the trial now scheduled for June 20, 2011, These interest far outweigh the interests of the Defendants for more speedy trial and prays for continuance pending the Eighth Circuit ruling and believes one hundred and twenty days will be sufficient as is more fully explained in the supporting brief.

Respectfully submitted

Curtis J Neeley Jr, MFA
