GOOGLE INC.'S OPPOSITION TO MOTION FOR LEAVE TO
FILE FOURTH AMENDED COMPLAINT

Mr. Neeley has filed yet another in his endless series of motions for leave to amend, none of which have the slightest merit. This one, seeking leave to file a **Fourth** Amended Complaint, seeks to state the same claims against Google Inc. that this Court has already denied leave to file. That previous decision led to a frivolous interlocutory appeal of a non-appealable order (which the Eighth Circuit of course denied), and both a petition for certiorari and a petition for writ of mandamus to the United States Supreme Court. We oppose the current motion, for all of the reasons set forth in prior briefs and the Court's prior orders, as well as the fact that the latest motion also seeks to add a slew of new claims against new defendants long after the deadline for adding parties.

Respectfully submitted,

/s/ Joshua R. Thane
