Motion for Domain Name Party Injunction

Curtis J Neeley Jr., MFA enters this motion separately with supporting brief for compliance with Local Rule 7.2(e). This Preliminary Injunction Motion asks that Network Solutions LLC, ICANN Inc, and NAMEMEDIA INC be ordered to cease advertising or permitting the advertising of expiration dates of domain name registrations to anyone besides the owner of the domain or the registrar and cease disclosing expirations of domains names not owned by the party and in no event any domain owned by the Plaintiff. This is supported by a concise brief filed concurrently as required and further supported by Docket 168.

Respectfully Submitted by Hand
