v

**CASE NO. 5:09-cv-05151**

**NameMedia Inc.  
Google Inc.**

**Brief Supporting Motion for Domain Name Party Injunction**

Curtis J Neeley Jr., MFA enters this supporting brief for compliance with Local Rule 7.2(e). The Motion asks that Network Solutions LLC, ICANN Inc, and NAMEMEDIA INC be ordered to cease advertising or permitting advertising of expiration dates of domain name registrations to anyone besides the owner of the domain and the registrar and immediately cease disclosing expirations of domains names not owned by them in violation of exclusive rights granted by US Title 15 for marks used in commerce whether the domain owner has registered trademarks for the domain or has not. Registration of the domain itself is sufficient use in commerce to support exclusive rights for disclosing the expiration date of the domain.

Respectfully Submitted by Hand
