O R D E R

Now on this 27th day of October, 2010, comes on for consideration plaintiff's **Motion For Federal Communications Injunction** (docket entry #180), and the Court, being well and sufficiently advised, finds that said motion should be, and same hereby is, **denied**. The motion seeks injunctive relief against the Federal Communications Commission ("FCC"). The FCC is not a party to this case, and the Court has denied plaintiff's motion to amend so as to make it a party.

IT IS SO ORDERED.
