WILL 23.216.72.204 ENTER to see the NUDE ART?
SHOULD 23.216.72.204?

God demonstrated the first example that sin could only be covered by innocent blood being spilled. It was a foreshadowing of Jesus' sacrifice. God could have as easily made clothes from cotton, silk, or nylon. God made clothes *instead* of giving humans fur. This was to allow nudity and to allow His masterpiece to be appreciated without obstruction.

This IP was recorded along with the pages you will visit. You are ALMOST unidentifiable. The key word there is ALMOST. IPs could be checked by Curtis for any authority or a parent who SHOULD have authority! I will do a complete report for any one IP for 10.00 via PayPal at the request of ANYONE! If you are restricted by AGE or ANYTHING or ANYONE from viewing tastefully done fine art figurenude photos. This is a chance to go back. Want to request the pages viewed by ANY IP just send me an email and I will set you up! I think all persons who allow links to nudity should do the same. It might make the internet a more child friendly place. The 10.00 might make them some money like it does here.
