CASE NO. 5:09CV05151

**NameMedia Inc.
Network Solutions Inc.
Google Inc.**

REQUEST FOR LEAVE TO FILE SECOND AMENDED COMPLAINT

Comes now Plaintiff, respectfully to this court and requests the Court grant the *Pro Se* Plaintiff Leave to file Amended Complaint that will specifically name the applicable sections of Title 17 that were omitted and ironically assumed as understood as well as adding a more specific claim of violation of US Title 5 § 552a(b). The amended complaint would be captioned as follows, “complaint for trademark and copyright violations resulting in an intentional infliction of emotional distress with two defendants also violating rights to privacy”, to read more descriptively.

This amendment has absolutely no affect on Separate Defendant Network Solutions as described further in Supporting Brief filed herewith except Plaintiff agrees to an additional thirty days for all parties to answer. The Plaintiff will file a Motion for Summary Judgment soon and extra time for the Defendants to start trying to resolve this action will not additionally distress the Plaintiff.

Respectfully Submitted

Curtis J. Neeley Jr., MFA
