ABOUT US

OUR BUSINESS

CONTACT US

NameMedia is a leader in the acquisition, development and trading of digital real estate through a network of highly targeted websites and a marketplace for premium domain names. ... And we're just getting started.

Direct Search

powered by SiteSense™

NameMedia's SiteSense™ platform enhances the market potential of Direct Search by creating revenue-generating search destinations — including our own network of vertical online properties.

Domain Marketplace

powered by SiteMarket™

NameMedia's SiteMarket™ platform offers domain sellers the broadest distribution and domain buyers the largest inventory in creating the leading marketplace for premium domain names.
