FCC soon ordered to regulate the Internet!

Eartheye.com(Oct 13, 1999) See the archive as my old studio site started to separate my fine art and other.

Eartheye(Nov 12, 2000) Here you see it as the domain I was starting to use mostly for my version of art. (Nudes here)

CurtisNeeley(June 14, 2001) My photography websites were **starting** to split from my fine art completely for the first time. Here you only see my wedding photography

CurtisNeeley.com(May 28, 2002) ONLY my commercial photos.

CurtisNeeley.com(Nov 26, 2002) My commercial photos with a link to

Eartheye.com(Nov 26, 2002) via a WARNING about nudity. I was **unresponsive in a coma**.

Eartheye(Aug 31, 2003) First Internet archive of **NameMedia's** cybersquatting eartheye. I was a post-comatose invalid.

St Vincent The jury might be interested in seeing me with a feeding tube still attached. My daughter's birthday was on the first day that

NameMedia's cybersquatting of eartheye was archived as you see

 above.
